avail themselves of this, the greatest boon ever laid at the
door of suffering humanity. DR. SPINNEY will guarantee

MIDDLE-AGED MEN.

There are many at the age of forty to sixty who are
troubled with too frequent evacuation of the bladder
action accompanied by a slight swelling or burning sensa-
tion and a weakening of the system in a manner that pa-
tient can account for. On examining the urinary de-
posit aropy sodium will often be found, and sometimes
but a thin milky hue, again changing to a dark and
dampish color. These are made up of the whole of this
disorder, ignorant of the cause, which is the second
stage of sexual weakness. Dr. S will guarantee a prompt
cure in all such cases, and a healthy restoration of the
genito-urinary organs.
